

GEL NAILS

SHORT COURSE

Course Description

Within just a few weeks, you could have an entirely new career! Learn how to master the art of the application of Gel Nails in this comprehensive 6 day course.

Gel nails are an increasingly popular nail technology, providing your clients with strong and elegant nail extensions. They last far longer than traditional manicures without damaging your natural nail.

The COE gel nail course will introduce you to the UV Gel System and give you the techniques and knowledge to apply UV gel coating. In addition, our course teaches you how to add sculptured nails, shaping, refilling and rebalancing, and techniques in repairing broken gel nails, and gel removal.

Kick start your new business or add to your existing skills with this artistic and long standing beauty trade.

You will learn

- Nail enhancement
- Application of sculptured nails
- Refills
- Removal of nails
- Provision of aftercare
- Contra indications to treatment
