

SHORT COURSE

SPRAY TANNING

Spray Tanning is one of the most in demand salon treatments

Course Description:

Spray tanning is a safe and effective way to achieve a sun-kissed look year round. It is the therapists' eye for detail that transforms this into an art and means the difference between a good and an exceptional, natural looking tan. This one day short course is our most popular professional development course and will teach you the finer aspects of tanning. Our trainers have the technical knowledge and expertise to teach the elements of spray tanning that often go unexplained. This course is suitable for beauty therapists, hairdressers and those wanting to open their own spray tanning business. Working in this industry allows you to travel, work your own hours and create a flexible business that suits you.
