

SHORT COURSE

WAXING

Waxing a form of semi-permanent hair removal.

Course Description:

There are many benefits to waxing versus other forms of hair removal. It is an effective method to remove large amounts of hair at one time. This short course is one of our most popular professional development courses and will teach you the finer aspects of waxing. Our trainers have the technical knowledge and expertise to teach the elements of waxing that often go unexplained. This course is suitable for beauty therapists, hairdressers and those wanting to open their own waxing business. Working in this industry allows you to travel, work your own hours and create a flexible business that suits you.

What will you learn?

- Health hygiene & safety
- Consultations / record cards
- Anatomy & physiology
- Equipment and products
- Preparation of room, trolley and client
- Safe use of waxing / electrical equipment
- Practical tuition on waxing
- Contra-indications
- Aftercare Advice
