Assessment procedure

Students will undertake both formative and summative assessments which will include completion of the activities, projects and observation of delivery of training and assessment.

The formative assessment activities are contained in the SHB30115 Certificate III in Beauty Services - Assessment Workbooks, which must be completed and submitted. The summative assessments are made on completion of assessing and marking the formative assessment tasks and involves taking into consideration the performance of the student across the formative assessments and their demonstrated competency at completion of those tasks. Where additional work/training is required or repetition of the tasks is required, the student is informed of the requirement and times are booked for reassessment with the assessor for a later date.

In line with The Centre of Excellence policy and procedure, trainers will:

- Explain the context and purpose of the assessment and the assessment process
 - Explain the Competency Standards to be assessed and the evidence to be collected
 - Outline the assessment procedure, the preparation which the candidate should undertake and answer any questions
 - Assess the needs of the candidate and, where applicable, negotiate reasonable adjustment for assessing people with disabilities without compromising the integrity of the competencies
 - Seek feedback regarding the candidate's understanding of the competency standards, evidence requirements and assessment process
- The Centre of Excellence ensures that staff involved in the delivery and assessment of this qualification have access to:
- The present version of this qualification and Training Package as well as the units of competency, assessment guidelines and qualification structure
 - Trainer, assessor and student support materials and resources relating to the units of competency that are being delivered and assessed
 - Sufficient resources to meet the requirements of students with special needs and has a process in place that includes reasonable adjustment procedures
 - The necessary facilities and equipment needed to conduct the program
