Learning Outcomes

Generally speaking, Essential English students greatly develop their skills to survive and thrive in the English-speaking world, socially as well as in study and work situations. They achieve this through improving their reading and writing of emails, letters, short stories, articles and more as well as by developing their listening and speaking about personal information & experiences, advice, opinions & predictions, asking for and giving clarification, arguing, agreeing & disagreeing. This is just to name a few of the skills to come.

Pathway and Career Opportunities

Graduates from the Essential English Course can expect greatly increased job opportunities, thanks to their genuinely improved and practiced language abilities.

Students reaching a certain level of Essential English also gain access to higher education opportunities in courses training them for careers in Australia and worldwide at The Centre of Excellence as well as with our Pathway Partners. Such courses include Certificate III in Hairdressing, Diploma of Salon Management, Certificate IV in Beauty Therapy, Diploma of Business and many more.
