for more than 35 years

CPC31320 CERTIFICATE III IN WALL AND FLOOR TILING

CRICOS Course Code : 118253K

About the Course

This qualification provides a trade outcome in wall and floor tiling for residential and commercial construction work. The qualification has core unit of competency requirements that cover common skills for the construction industry, as well as the specialist field of work, wall and floor tiling. Tilers work with materials like ceramic, glass, slate, marble and clay. They cut these materials and lay tiles on walls and floors, both interior and exterior. They may also add decorative touches to their basic work.

Academic Requirements

Australian year 12 Equivalent of other countries

Age Requirements

For international students COE has a requirement that all students must be over 18 years of age at the commencement of course.
