Credit Transfer

You may be eligible for a credit transfer if you have previously undertaken training through an Australian Registered Training Organisation. Students who have successfully completed whole units of competency with an Australian Registered Training Organisation that are identical to any of those contained within this course can apply for Credit Transfer.

Training Pathway

On successful completion of these courses students will be eligible to achieve Diploma of Civil Construction and Advanced Diploma of Civil Construction Design qualifications.

Mode of Delivery

The course is delivered via face to face training and independent study. The following techniques are employed during face to face delivery depending on the subject matter: trainer demonstrations, power point presentations, individual tasks, case studies, research, role plays, practical demonstrations and group work. The context of the simulated workplace environment will be incorporated into delivery methodologies and students' complete tasks to workplace standards. Students also undertake independent study and assessment activities in addition to scheduled classes. Examples of activities include undertaking homework set by trainers, research, reading, practicing applying knowledge and skills learnt in class, and preparing for and undertaking out of class assessment tasks.
